

**RESOLUTION NO. 03-08-22-1**

Isle Harbor Township  
of Mille Lacs County, Minnesota

**RESOLUTION ADOPTING ROAD APPROACH AND CULVERT  
POLICY**

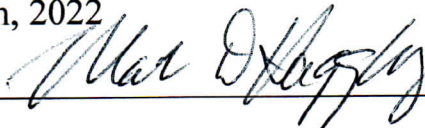

**WHEREAS**, the Town Board (“Board”) of Isle Harbor Township (“Town”) is the road authority and provides maintenance for approximately 16.2 miles of road within the Town;

**WHEREAS**, the Board, as the road authority, has the responsibility to maintain the Town roads, and as such has a vested interest in whatever may be done to Town road surfaces;

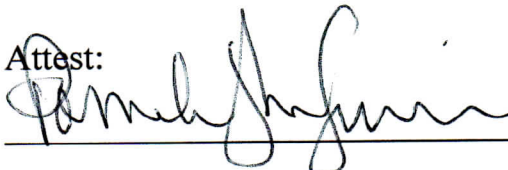

**NOW, THEREFORE, BE IT RESOLVED**, the Board hereby adopts the following as the Road Approach and Culvert policy for the Town:

- Any new access off of a township road or in a platted development in Isle Harbor Township road needs permit approved by the Isle Harbor Town Board
- Any such access must have a culvert, unless deemed unnecessary by the township.
- Only one free culvert is provided by the Township, per land owners primary residence; additional accesses to said parcel will be at the expense of property owner
- Culvert size, diameter, length, type and placement will be determined by town’s contractor
- The township will deliver the culvert, but it is the landowner’s responsibility to have it installed properly
- Bedding and cover material will NOT be provided by the township
